SOCIAL AND POLITICAL ACTIVITIES

Sustainable GenerA(ct)ions Project: Sports and Nutrition for Staying Well.

[Via Cavour, Rome, 23/02/2023]

Participation to the initiative of ADOC Rome and Lazio, UNIAT (National Union of Tenants Environment and Territory) and ADA (Association for the Rights of the Elderly) aimed at the over-65s. The project is implemented as a path of nutritional education and presents the main functional lifestyles for active aging of the population.

ADOC Informative Stand: Watch out for the Scam!

[Piazzale Flaminio, Rome, 14/01/2023]

Participation to the campaign to raise awareness against the risks of scams during the sales period by setting up informative stands, through the handout initiative. The aim is to spread more awareness, transparency among consumers - the main components of civil society - and to ensure a more protected and sustainable consumption.

School Adopts a Monument

[Classical High School "Aristofane" Rome, 2014 - 2016]

Sociocultural initiative aimed at recovering Rome's neighborhoods/artistic heritage and bringing young high school students together to rediscover history and art in an active and participatory way. In this regard, in-depth research of specific areas for

the oral exposure to classes was carried out; during the project, the adopted neighborhoods were the Flaminio District (2014-2015) and the Ostiense District (2015-2016).

Areas of interest of my exhibitions: Flaminio District - Auditorium Parco della Musica; Ostiense District - The former Magazzini Generali.

CONFERENCES AND SEMINARS

General Training and Mentoring Course

[AMESCI Headquarters, Rome, 11/2022 - 02/2023]

Active participation in a series of training and mentoring days at the AMESCI Headquarters in Rome. Meetings in groups and under the supervision of trainers helped enrich and refine basic and transversal skills: critical thinking, lateral thinking, project management, discussion, and exchange of opinions.

IX National Assembly: "The People at the Center"

[Hotel St. Martin, Rome, 11/2022]

Participation in the 9th National Congress of the Association for the Defense and Orientation of Consumers, which brought together in no less than three round tables speeches aimed at 1. analyzing the socio-economic scenario, the role of trade unions and consumerism; 2. presenting projects on sustainability financed by European funds such as "Take Green Away" and "SusPack"; 3. discussing the energy crisis and the transition to economic and social sustainability.

Seminar for the course "Industrialization and Labour in the Contemporary Asia"

[University of Naples "L'Orientale", 04/2022 - 05/2022]

Participation in a series of seven seminar meetings with expert academic figures specializing in labor processes and socioeconomic dynamics in East Asia and Southeast Asia. The aim was to integrate the theoretical and methodological knowledge acquired during the master's course in "Industrialization and Labor in Contemporary Asia" with professor Masina combined with the results of the qualitative and quantitative research of the hosted scholars.

Constituent Workshop "Set Them Free!"

[MACRO ASILO - Rome, 03/05/2019]

Participation in the SET THEM FREE! constituent workshop for the liberation of migrants from Libya by Exodus. The roundtables "Listening," "Understanding," and "Acting" were attended by nongovernmental organizations, the UNHCR (United Nations High Commissioner for Refugees) and others. The purpose was to raise awareness of the issue of the missed subjectivity of migrants legally and humanely; the various interventions aimed at coordinating organized and protected evacuation hypotheses.

Seminar "The Common Field"

[University of Rome "Sapienza", 03/2018 - 05/2018]

Screening of eight full-length films concerning immigration and integration issues with the writing of a final essay.

COMMUNICATIVE AND INTERPERSONAL SKILLS

Excellent listening and data processing skills

Possessing refined skills of associative learning, excellent adaptability and a strong critical sense facilitate an interdisciplinary and multi-sectoral approach to knowledge.

My humanities education and the acquired knowledge of the social sciences produces detailed and well-researched results, by providing lucid and objective analysis, without ever neglecting empathy.

Moreover, knowledge design and project management skills have been enriched and improved over the years. Combined with strong motivation and remarkable teamwork experiences, they characterize my inclination for research, disciplined by a progressively growing set of multifaceted perspectives.

I hereby authorize the use of my personal data in accordance to the GDPR 679/16 - "European regulation on the protection of personal data".
