Selection procedure	Pre-selection for evaluation of qualifications and research project Interview (online, via a videoconference)
Criteria for the evaluation of qualifications and of the oral test (interview)	<p>Points for the <b>evaluation of qualifications</b>: maximum <b>20 points</b>, distributed as follows:</p> <p><b>- Curriculum vitae et studiorum: maximum 5 points</b></p> <p>The CV will be evaluated based on the degree grade or the weighted average of exams taken (in the case of students who have not yet completed their studies). Candidates are responsible for including this information in the application to participate in the selection process (PICA platform) and the information is mandatory.</p> <p>(Instructions for calculating the weighted average are as follows:</p> <p>The grade of each examination taken on the date of application should be multiplied by the respective number of credits. Any distinctions should just be understood as their equivalent grade: for example, 30 cum laude should be considered as 30. The sum of all weighted grades obtained should be calculated. The result should then be divided by the total sum of the programme's credits (i.e. those of the exams with grades).</p> <p>Without this information, the CV cannot be evaluated.</p> <p><b>Evaluation criteria:</b> For the evaluation of the CV, the degree mark will be evaluated or, in its absence, the weighted average of the exams taken</p> <p>Degree mark: 110 with honours - 5 points (this is the equivalent to the highest grade with honours/merit/distinction) 110 - 4 points 107-109 – 3.5 points 104-106 - 3 points 99-103 - 2 points =&lt;98 - 1 point</p> <p>Weighted average of exams taken for the Master's Degree if the student is currently enrolled under the conditions of completing the degree by October 31<sup>st</sup>: Average 30/30 - 5 points Average from 28/30 to 29/30 - 4 points Average from 26/30 to 27/30 - 3 points Average from 24/30 to 25/30 - 2 points Average &lt; 24/30 - 1 point The average is rounded off as follows: grades with decimals &gt; 5, rounded up; grades with decimals &lt; 5, rounded down.</p> <p>In the absence of this information, the curriculum studiorum cannot be evaluated.</p> <p><b>Candidates with a qualification obtained abroad</b></p>

	<p>Attach an 'Academic transcript of records' for your Master's degree with the credits (if provided for in the university system of the country that issued it) and grades (for graduands, include the expected date of graduation)</p> <p><b>- Academic publications: maximum 2 points</b></p> <p>1 point for each publication: a maximum of 2 publications in the last three years will be evaluated.</p> <p>Publications will only be evaluated if they are relevant to one of the scientific-disciplinary sectors of the doctorate.</p> <p>Attach a list of publications and a PDF copy of the originals.</p> <p><b>- Research project: maximum 13 points</b></p> <p>A minimum score of <b>10</b> points in the qualifications assessment is required for admission to the interview.</p> <p>Points for the <b>interview</b>: minimum <b>40</b> - maximum <b>60</b> (including an assessment of the candidate's knowledge English language)</p>
